Greeting all Youth Leaders,

The Youth Grant program will be in place for 2011. The application form is inserted in the Winter Trillium, if you do not receive a copy, please contact me or go to the website and print your copy.

Other forms available on the website are Activity Report, Permission Form, and Entry Form for Youth Competitions, along with the 2011 Youth Competition Schedule and the Youth Club Requirements.

The Youth Competition Schedule, I have a number of websites available, with information about several of the classes, if your Club/Group is interested in any of this information, please contact me.

New for this year are more mail-in classes, hopefully Youth Clubs/Groups that are not able to take or pick-up entries at the Convention, will be able to participate at the Provincial level. Just mail your entries in and they will be mailed back after the Convention. Please don't forget the CNE competition as it is open to all OHA youth.

A Youth Leaders, seminar is being planned for the Saturday afternoon of the Convention and I'm looking for your input as to the subjects you would like addressed. Please send your positive comments as well as your problems.

Please check all the new forms mentioned above and give your comments; Are there any other subjects you would like covered or forms that would be helpful? I will try to cover as much as possible in the time allotted.

I would like to Congratulate and Thank all Youth Leaders for the time and work they have given to instill a love of gardening, nature and the overall well being that can come from working and learning about plants indoors or outdoors.

You may improve the lives of our Youth with just a few hours of gardening.

Thank again,

Betty Morrison
OHA Youth Chair

Keeping Ontario Beautiful
