

## 2012 GREEN GARDENING WORKSHOPS Ball's Falls Conservation Area

All programs require pre-registration - call 905-562-5235 ext. 26

### **PREPARING AND PLANTING YOUR GARDEN: Sunday, April 29, 10:00 am-1:00 pm - \$35**

Participants will discover how to prepare their soil to optimize plant growth. Learn how to container garden and how to grow herbs and vegetables. Participants will also be introduced to simple methods to create rustic structures for the garden.

Register by April 23

### **NATURAL CREAMS AND BALMS: Sunday, June 24, 1:00 pm-4:00 pm - \$35**

Participants will use soothing oils and fresh herbs from Ball's Falls' heritage gardens to make their own chemical free, nourishing cream and lip balm. Leave with the creams you have made, along with knowledge of oils and their various applications.

Register by June 18

### **GREEN GARDENING: Saturday, June 30, 10:00 am – 1:00 pm - \$35**

This workshop is for anyone who would like to garden in harmony with nature. Learn how to maintain a healthy, pesticide-free garden! Discover how to effectively grow plants without relying heavily on water. Understand proper harvesting methods.

Register by June 22

### **FALL PLANTING AND HARVEST AND PREPARING YOUR GARDEN FOR WINTER: Saturday, September 15, 1:00 pm-4:00 pm - \$35**

During this hands-on workshop facilitated by the Ball's Falls gardeners learn how to plant bulbs for succession in your spring garden. Discover how to properly collect seeds and how to harvest herbs for the winter. Participants should bring a pair of gardening gloves. Register by September 7
