

Ontario Horticultural Association Environmental Award Nomination

Keeping Ontario Beautiful

Ontario Horticultural Association Awards

The OHA encourages societies to nominate deserving people for recognition with an OHA award. These mandatory templates are meant to assist societies to provide information that is used to evaluate nominations. We appreciate electronic submissions because they are much easier to read when circulated by e-mail.

Environmental Award

This award is a plaque provided by the Ontario Horticultural Association. It may be presented to an individual, organization, municipality, company, school or other educational establishment that, in the estimation of the Awards Committee, has made a significant contribution to environmental preservation including habitat, restoration, and/or improvement. Consideration will be given to nominations that include information about the amount of research involved, before and after descriptions/colour copies of photographs of the project, its impact on the community, the duration of the project, and community and municipality involvement.
