Dear Ms. Dunlop,

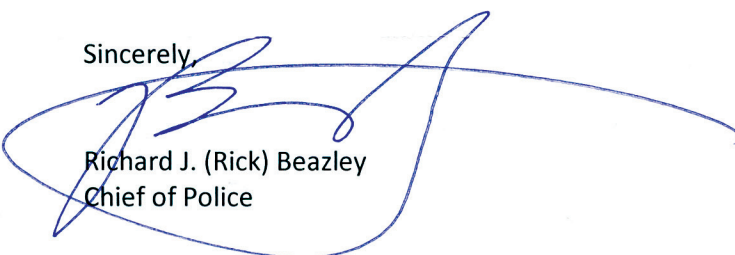

On behalf of the Strathroy-Caradoc Police Service, I want to express my thanks to the Strathroy-Caradoc Horticultural Society for annually planting and maintaining the gardens at our Headquarters facility at 299 Frances Street.

Our employees and members of the public have often commented on the wonderful floral experience presented them as they come into our building.

I have seen and often spoken with members of the Society as they diligently and quietly work on our gardens but admit being remiss not having formally expressed my gratitude sooner.

Thank you. We appreciate what you do for us and for the community.

Sincerely,

  
Richard J. (Rick) Beazley  
Chief of Police
