

# Ontario Horticultural Association Community Improvement Award Nomination

*Keeping Ontario Beautiful*

## Ontario Horticultural Association Awards

The OHA encourages societies to nominate deserving people for recognition with an OHA award. These mandatory templates are meant to assist societies to provide information that is used to evaluate nominations. We appreciate electronic submissions because they are much easier to read when circulated by e-mail.

## Community Improvement Award

This award is a plaque provided by the Ontario Horticultural Association. It may be given to an individual, organization or company that, in the estimation of the Awards Committee, has enhanced the beauty of the landscape and/or added to the quality of life of a community with a horticultural project. Consideration will be given to projects that involve working with other organizations e.g., schools, Master Gardeners, businesses, and municipalities.

Nominations should include, in electronic format, descriptions/color copies of photographs of the project, its impact on the community, and the duration of the project.
