

# We've adopted Constitution Park

## WE'VE ADOPTED A PARK → CONSTITUTION PARK

LFHS is partnering with the City of London and other community groups to increase the cleanliness and beauty of our city parks. Constitution Park is located off Grenfell Drive near Adelaide and Fanshawe Park Road.

### How we care for our adopted park:

1. Host clean-up days each year, typically one in spring and one in fall.
2. Monitor trees, shrubs, hazards and damage.
3. Work with the City to consider potential future projects such as plantings or new features.

### The City:

1. Erects an Adopt-A-Park sign with our society's name on it, recognizing our commitment to the park's maintenance.
2. Provides items for clean-up days (garbage bags, gloves etc) and removes the garbage after we finish.
3. Assists with the purchase of trees, shrubs and flowers (if requested and approved).
