The mission of the Association shall be to provide leadership and assist in the promotion of education and interest in all areas of horticulture and related environmental issues in Ontario, through an expanding network of horticultural societies dedicated to the beautification of their communities, as outlined in Article 36 of the *Agricultural and Horticultural Organizations Act*.

## GENERAL

Members who provide the leadership and active participation which result in promoting the aims of the Horticultural Societies, the Districts and the OHA should be recognized and rewarded. Over the years, a number of awards have been made available by the Association in appreciation of outstanding services. Awards have also been contributed by individuals. - 4) Awards given by the Ontario Horticultural Association
