

COME TO THE DEEP SOUTH WHERE EVERYTHING GROWS

113th Ontario Horticultural Convention in Windsor July 19 to 21, 2019

View from Hotel rooms looking over Detroit River to the USA

District 11 is gearing up to welcome delegates from all over the province. The Best Western Riverfront and St. Clair College Center for the Arts will be our home away from home for three days. Speakers on climate change, the environment, agriculture, bird watching etc. are being lined up. Two provincial parks and a national park are in our area for exploring. Bus trips to greenhouses, to beautiful Zone 7 gardens and to wineries are being planned. Please consider us as part of your next year's vacation.

Come visit our table at this year's Convention to receive information on our area.
