**Brief
Biography**

We live in Peterborough on a hill overlooking the city. Parts of the hill we call "bucket hill" because everything has to be carried up in a bucket. We have almost an acre of gardens which are becoming harder and harder to look after as we age. We also have a small vacation home in Stratford. We both have been Master Gardens for a number of years and are former editors of the Master Gardener Newsletter for the Master Gardeners of Ontario. We are both past presidents of Horticultural Societies and are engaged supporters of OHA. A number of years ago we were honoured to receive the Silver Award from OHA.
