Name: First Margaret **Last** Burley

Biography:

Please provide a brief description of your qualifications, skills and/or experience

I have owned and been in the gardening business for over 25 years. About 8 years ago I started selling and growing unusual Tropicals, African violets and Orchids which we bring in from around the world. Our customers come as far away as Ottawa and London for our plants. For the last 3 years I have been going to Hort. Clubs and doing talks which have been greatly received. We are doing workshops for the months of Jan. Feb. March.
