**Talk Title:**     Four Seasons of Winter Hardy Cactus    

**Brief**

**Description:** Growing Winter Hardy Cactus can bring unexpected texture and colour to Ontario gardens. Explore one gardener's experience in sourcing, propagating, and using cacti in the landscape all year round. Ideas for small yard, accessible gardening, and co-planting will be shared.

---

**Brief  
Biography**

Sharon Bowler shares a passion for gardening with her husband John. They are both members of the Grimsby Garden Club and their home garden has been included in the club's Garden Tour. Their garden is an example of a small accessible landscape that surprises visitors with its display of over fifty varieties of Winter Hardy Cactus. Sharon holds a doctorate in Education from the University of Toronto, is an author, historian, and teacher.
