Please provide us the following for publicity and marketing

**Talk Title:**

**Brief Description:**

This is geared to the latest in perennials that are easy to care for. Also provide what easy care means to Gardens Plus.  
Covering all lighting conditions as well as soils for success.

**Talk Title:**

**Brief Description:**

So many Hosta but all growers and collectors need to know and understand what the virus is

and watch for signs. Beware that the nursery that purchases are made from know too.

**Title: Hosta and other great part shade perennials**

---

**Brief Description** Shade doesn't need to be dull and dreary. So Hosta in all sizes, colours and textures then other perennials too with many colours and textures. Even some answers for dry shade.

**Talk Title:**

The

**Brief Biography**

Dawn is the owner of Gardens Plus. Located in Donwood 2 kms east of Peterborough. The business was established in 1995 as a garden installation business with this retail location opening in 1997. So, 2019 marks their 22nd season. In 2001 the web site <https://www.gardensplus.ca> was created and shows all the perennials with pictures, pricing, hours and even a mini tour of the award winning display gardens.

Make sure you check out the new version of the site totally redone in late 2015.

With easy online ordering for shipping as well as pick up if you'd like to reserve your selections ahead of time. The nursery is open 5 days a week (closed Mondays and Tuesdays) from early May to July. They offers a unique experience with display gardens up front, green houses and stock beds out back. Gardens Plus specially is Hosta, Daylilies, Coneflowers and Coral Bells.

Dawn's focus is on growing easy-care perennials so you can enjoy your gardens not just work in them. Remember to sign up for their news letter and follow them on all the social media channels to stay in touch.
