Topic List

For each entry, please list a topic from the list below, a title and a brief description noting any costs, restrictions, i.e. time of year, and any other special requirements.

Choose a TOPIC from the following:

Bulbs/Tuber	Gardening	Pollinators
Environment	Herbs	Propagating
Floral Design	Houseplants	Pruning
Fungi	Native Plants	Vegetables

Topic	Title	Description
Please see a list of topics, titles and descriptions on my website, as per above. They are available at any time of the year however some presentations are better suited to certain times of the year. I speak about backyard birds, wildlife, travel, gardening with native plants and pollinators. Depending on where the club is located, I do ask to be reimbursed for expenses and mileage. This is typically \$100-125 for clubs in the Greater Toronto Area, however the cost may be higher for organizations greater than an hours drive from my home (located in Tottenham). I have a laptop, projector and screen if necessary- however I do not have a microphone. If the club has use of a microphone that would be appreciated.
