Name: First Paul Last Oliver

Biography:

Please provide a brief description of your qualifications, skills and/or experience

I have spoken at a large number of horticultural societies and garden clubs. I enjoy it and they seem to as well.

We are happy to visit any society that wants to hear about birds. We love birds.

We normally talk about helping out local wild birds and how gardeners can help our feathered friends. We vary the talk depending on the season. Spring, winter, fall...

Most groups want to hear about how gardeners can attract and help wild birds in their backyard.

Our talk is free of charge. We are pleased to talk to anyone that wants to know a little bit more about birds. We modify the length and depth of the discussion about birding and gardening based upon the audience requests.
